

Luna Moth

Mari Stein,
 from the book
 "Things with Wings"

NOTE: When using a strongly grained glass, keep the lines moving in the direction shown by the gray dotted arrows for a more professional look.

Oceanside Glass Color Suggestions

- | | |
|-----------------------|---------------------------|
| A. 603-81CC-F | Blue Skies Pearl Opal |
| B. FUSERSRESERVE-83-F | Jumanji Fusers Reserve |
| C. FUSERSRESERVE-85-F | Jungle Fog Fusers Reserve |
| D. 538-4W-F | Steel Blue Waterglass® |
| E. 1009S-F | Black Smooth Opal |

This pattern calls for specific Fuser's Reserve™ glasses. See your supplier for availability and look for ways to substitute in options available if you are unable to get the named glasses — many will work well!
