THE LIGHTNING DESK LAMP

A new lamp in the lamp family. With stylish design and a good and ergonomically correct light that illuminates both upwards and downwards. A modern LED module design with touch buttons for brightness adjustment in three different positions. LEDs have an extremely long life span. The desk lamp can be mounted directly on the desk or in a Table Top. The advantage of installing in the Table Top is that you get access to an extra outlet on the desk. Also available as a Floor lamp, image on page 113
